(Thank You on Opening Screen)

Today, we thank you, our one million Golden 1 members, with \$20 million!

You are at the heart of everything we do each and every day. As a not-for-profit financial cooperative, our members are our owners. We give back earnings to you through higher returns on savings, lower interest rates on loans, free services, and through this \$20 million Member Giveback.

Because of you, we have grown over the last 85 years into California's leading credit union and one of the largest in the United States. We are proud to deliver financial solutions with value, convenience, and exceptional service to our members. So thank you today, and every day, for being a Golden 1 member!
